

## CTSA. INTER-CLUB WINTER TOURNAMENT 2020

This competition commences with Round #1 (on the 18<sup>th</sup>. June), and must be completed by Round # 13 (on the 17th. September).

### **The INDIVIDUAL Aggregate.**

The INDIVIDUAL competition comprises the BEST 9, of the FIRST 10 completed 'Single Targets', and the BEST 4 'Double' Targets, of the 5 Designated Double-Targets, which have been completed within this period.

The 5 Designated 'Double' Targets, will be the double targets as specified in the 'Draw'.

( Note:- for this season, these will coincide with NDC Competition Nights ).

**N.B.** All Juniors will shoot Two Single Targets, to accommodate the NDC team, but scores obtained will be aggregated to simulate their double target scores for our "Season's Aggregate".

The eligible scores are those obtained from the 'Inter-club' competition matches, ONLY.

Only scores from signed Team score sheets will be eligible.

**On NDC Competition Nights,** (when NOT specified as a DOUBLE Target round), the FIRST card (Possible 100.10), whether from a single-target, or a double-target shall be the Individual's 'Winter Tournament' aggregate score.

**Definition**:- The first card of a Double-Target is the card containing the completed sighting diagram.

### **The TEAM'S Competitions.**

Team members must be recorded, (in selected order), on the scoring sheet, to the satisfaction of both captains, before shooting commences.

Any withdrawals will be replaced by the next available team member, in the order selected .

### **Providing Scores To The Co-ordinator.**

All scores must be recorded on the 'Winter Tournament' score sheet and be signed by both Team Captains.

Scores must be provided to the Co-ordinator NO later than the Friday after the match.

Scores can be:

Emailed by the HOST Team Captain as a transcript but please keep the original signed sheet and deliver it to the co-ordinator as soon as possible.

A scan of the score sheet may be sent.

The score sheet may be given directly to the Co-ordinator.

Photographs of the white board must be legible.

### **Cards shot Ahead.**

Pre-shot targets are for the purpose of assisting the team's score only. They are NOT eligible for the INDIVIDUAL aggregates. (The exception being, when an exemption has been granted by the committee, on the grounds of hardship).

Only **ONE** 'Pre-shot' score can be used per team, per competition night, and only when a team **cannot** field **FIVE** competitors. (**N.B.** A 'Pre-shot' score is NOT valid as an "Emergency" competitor).

Each competitor is limited to **THREE** 'Pre-shot' scores per season.

Cards must be shot on the Thursday night PRIOR to when they are to be used, (i.e. under competition rules and conditions), but must **NOT** be **MARKED**.

Must be NOMINATED, (Range Officer advised), and, prior to shooting, must be dated on the reverse side, showing when shot, and when to be used. (**N.B.** It is the competitor's responsibility to ensure the shot card is passed to the team captain, **UNMARKED** ).

Signed by the competitor, the Range Officer, ( the witness), and the Team Captain.

Must remain in the custody of the Team Captain.

Must only be MARKED on the night of the match for which they were nominated. (The Co-ordinator must be advised of all 'PRE-SHOT' scores).

Captains, please use the 'Tick-Box' column on the 'Winter Tournament' Score Sheet.

### **Teams Short Of Competitors.**

When a team cannot field a full 5 members, they may arrange for the use of competitors from the opposing team. (Any agreement must be reached before the competition commences). Examples of the types of agreement which could be used include.

If the opposing team has more than the required 5 shooters, then they can nominate a competitor to assist that team.

When the opposing team has the minimum 5 shooters, then the lowest ranked shooter's score may be used for both teams.

Please clearly detail on the score sheet all arrangements made.

### **Starting Times.**

NDC Nights must START shooting at 7.00pm. (In order to be completed by 9.00pm).

**Matters Arising.** Any problems, ( or hardship ), please bring to the attention of the 'CO-ORDINATOR', ( Barry, or Ray), in the first instance, who will consider, and refer to the committee for resolution if necessary.

**The Teams Handicap Tournament.**

This is calculated on the **BEST 5 competitor's** scores.

After the first 'Round-Robin' stage. ( Rounds 1 to 7).

Determine the **AVERAGE** Team score, using the scores of the **BEST 5** shooters from each Team.

The **HANDICAP** is derived by subtracting the **AVERAGE Team's** score from the POSSIBLE - **500**.

The **RESULTANT** for the 1<sup>st</sup>. Handicap 'Shoot-Off' is :-Team Score #1 + Handicap #1. = \_\_\_\_.

Cap this aggregate at 505

After the second 'Round-Robin stage. ( Rounds 8 to 13).

Determine the **AVERAGE** Team score, using the scores of the **BEST 5** shooters from each Team.

The **HANDICAP** is derived by subtracting the **NEW AVERAGE** score from the POSSIBLE - **500**.

The **RESULTANT** for the 2<sup>nd</sup>. Handicap 'Shoot Off' is :-Team Score #2 + Handicap #2. = \_\_\_\_.

Cap this aggregate at 505

The **OVER-ALL** Team's Handicap Aggregate **RESULT** is;

(Team's Score #1 + Hndcp. #1) + (Team's Score#2 + Hndcp. #2) = \_\_\_\_.

**TIE BREAKING.**

With aggregates capped at 505. (If multiple Teams achieve 505:-) Then RANK using **INNER- BULLS**.

**Team's KNOCK-OUT Competition.**

Each Team is seeded using the Aggregate of the **TOP 5** Scores from the TEAM'S Handicap #1 ROUND ( Without HANDICAPS), and TEAM'S Handicap #2 ROUND (Without HANDICAPS).

Team #1 Verses Team #6 The Victor = Team A

Team #2 " Team #5 " " = " B

Team #3 " Team #4 " " = " C

The TWO higher scoring Teams (from A,B,&C,) SHOOT-OFF for the **DIVISION #1 TROPHY**.

The remaining Team, (from A,B,orC,), and the highest scoring losing team, SHOOT-OFF for the **DIVISION #2 TROPHY**.
